

Original Boss Buddy Valastro Goes All In On Vegas With Opening Of The New Boss Café Early 2022

The Cake Boss continues takeover of fun dining on The Strip

LAS VEGAS – Dec. 1, 2021 – Buddy Valastro’s love of Las Vegas just got sweeter with another restaurant opening early 2022. The star of the hit TLC series *Cake Boss* will open The Boss Café by Buddy Valastro at The LINQ Hotel + Experience. The Boss Café will join la famiglia of Buddy V’s Ristorante, Carlo’s Bakery and PizzaCake with casual, to-go dining capturing the savory and sweet side of the famed New Jersey chef and restaurateur. Inspired by all the neighborhood delis and markets in New Jersey and New York the Valastro and his family grew up with, The Boss Café features a variety of fresh baked breads, Italian sandwiches, hand-crafted pizzas, a house-made fresh mozzarella bar, and a variety of sweets and pastries.

The Boss Café is Buddy Valastro’s fourth restaurant concept to open in Las Vegas. “After successfully launching my first restaurant in Las Vegas, I completely fell in love with not only the city, but its culinary landscape and its people,” says Valastro. “I love being able to showcase the food I grew up while launching my first casual restaurant in the town that gave me the opportunity to show that I’m more than just a baker, but a chef.”

At The Boss Café, it’s all about the Mozz (pronounced Mutz!, hand gesture optional). The highlight of the restaurant is the Mozz Bar, where guests can grab their favorite fresh mozzarella creation served with warm rustic bread and their choice of topping from basil pesto, roasted peppers, tomato-olive relish or tomato, fresh basil and aged balsamic. Created by Valastro’s father-in-law and made fresh daily, the Mozz is on full display not only as a key ingredient on sandwiches and other menu items, but will be made in an open kitchen by The Boss Café’s ‘Mutz Masters.’

The menu at The Boss Café will offer casual Italian-American fare conceived by Valastro himself along with Corporate Executive Chef, Bryan Forgione. Forgione recently joined Valastro on the restaurant group side, coming from Buddy V’s Ristorante where he ran the kitchen since opening in 2013. The impressive menu will also feature different counters including House Salads including *Pop’s Panzanella* or the *Hoboken Chop*; the Sandwich Counter with classics like *Rosemary Ham* or *Caprese* served on fresh Jersey Focaccia or East Coast Hoagies like the *Jersey*

Beef or the *Valastro* with smoked pancetta; and Grandma Squares with the coolest square this side of Jersey, including *Margherita*, *Pepperoni* or the *Boss Supreme*. Staying tried and true to Buddy’s baking roots, The Boss Café will also boast an impressive dessert selection and all-time favorites made famous by Carlo’s Bakery such as the world famous *Lobster Tail Pastry*, *Tiramisu*, *Cheesecake*, *Cannoli*, assorted cakes, and fresh-baked cookies.

The Boss Café by Buddy Valastro is located at The LINQ Hotel + Experience, across from the new District 3 Elevators and CAESARS FORUM bridge. Occupying 1,400 square feet and including indoor seating, the café is designed as a grab and go concept perfect for people looking for a quick bite or to take home delicious treats for the family. The new restaurant by Buddy Valastro will also offer an entertaining, marketplace-inspired room designed by New York based firm, Celano Design.
