Masterfully designed by Jeffrey Beers International to be an experiential and immersive destination restaurant, guests will feel transported to the studio set, as if they are participating in the globally popular television show, the 17th season of which will air during the 2017-2018 season on FOX. With design features that are engaging to all senses and are a nod to both the red and blue teams featured on the show, the dynamic and bustling kitchen will be the centerpiece of this unique eatery to be enjoyed and appreciated from every seat in the house.

"Fans of the show have been asking us to bring a HELL'S KITCHEN restaurant to life since day one, so I'm thrilled to finally be doing it here at Caesars Palace," said Ramsay. "A key element of the show's success has always been the diners' experience, so we are excited for guests in Las Vegas to feel like they too are part of the show – flames and all."

Perfectly situated on one of the busiest corners in Las Vegas, directly at the center of the famous Las Vegas Strip at Caesars Palace, HELL'S KITCHEN restaurant will seat nearly 300 guests, feature indoor and Strip-adjacent patio dining and will offer a daily themed brunch, dinner and spirited bar menu.

"Like so many others worldwide, I too have long been a fan of HELL'S KITCHEN and we are thrilled to be bringing a first-of-its-kind restaurant like this to Caesars Palace guests and visitors to Las Vegas," said Gary Selesner, Caesars Palace regional president. "We are so proud to welcome a second Gordon Ramsay restaurant into Caesars Palace, a partnership that continues to be the perfect recipe throughout many of our resorts."

The high-energy restaurant and bar will take its cue directly from the eponymous ITV Entertainment and FOX primetime television hit seen worldwide by millions of viewers, and will shine the spotlight on many of HELL'S KITCHEN cast/chef recipes and dishes featured on the show, including many of Chef Ramsay's signature dishes.

"Gordon is a true visionary and all of us at ITV America are thrilled to be working with him on this passion project which brings the HELL'S KITCHEN experience to so many fans. We see this as a unique extension of a powerful brand that, 17 seasons in, continues to resonate with millions worldwide. It's an honor to be in partnership with both Gordon and Caesars in what will be a must-visit destination," said Ed Simpson, EVP Business Development & International, ITV America.
