Directed by RuPaul and award-winning choreographer and filmmaker Jamal Sims (*Aladdin*, *Step Up*, *When The Beat Drops*), *RuPaul's Drag Race Live!* is produced by World of Wonder, the creative team behind *RuPaul's Drag Race*, with Voss Events. This marks a Las Vegas reunion for RuPaul and Sims, who first collaborated in 1994 with Sims dancing in RuPaul's show at the Sahara Hotel. Original music for *RuPaul's Drag Race Live!* is written by RuPaul, *RuPaul's Drag Race* composer Leland and Tom Campbell, Chief Creative Officer at World of Wonder. The score includes RuPaul's hit songs from the past 11 seasons of *Drag Race*, plus original show-stopping numbers created especially for this residency.

“*RuPaul's Drag Race* has become an international phenomenon, as have the fan viewing parties that take place all over the world. The *RuPaul's Drag Race Live!* Las Vegas residency show will immerse audiences in that experience in the most interactive way possible. With original music, world-class performances by America's favorite queens, and all of the self-awareness and attitude of the television show, *RuPaul's Drag Race Live!* will leave audiences wanting more!” said show co-producers Randy Barbato and Fenton Bailey of World of Wonder.

“As the entertainment landscape in Las Vegas continues to evolve, we know that the next natural step is bringing a live version of one of the most popular shows on television to The Strip,” said Kurt Melien, president of Live Nation Las Vegas. “An entertainer as iconic to pop culture as RuPaul combined with a property as classic as Flamingo Las Vegas is the recipe for the perfect Vegas experience, and we know that audiences are in for a night they’ll never forget.”

“We are thrilled to welcome *RuPaul’s Drag Race Live!* to Flamingo Las Vegas,” said Chris Holdren, chief marketing officer of Caesars Entertainment. “RuPaul’s legacy is rooted in acceptance, diversity and authenticity. Embracing who you are while having an amazing time could not be better suited for Las Vegas, and we are incredibly proud that the message will find its home at Flamingo.”
