LAS VEGAS (Feb. 28, 2022) — Rise Against today announced a summer 2022 U.S. headline tour, which will make a Las Vegas stop at Zappos Theater at Planet Hollywood Resort & Casino Friday, July 15, 2022, with support from Senses Fail.

An artist presale is scheduled for Tuesday, March 1 at 10 a.m. PT. Caesars Rewards members, Caesars Entertainment's loyalty program, as well as Live Nation and Ticketmaster customers, will have access to a presale running from Wednesday, March 2 at 10 a.m. PT through Thursday, March 3 at 10 p.m. PT. Tickets go on sale to the general public beginning Friday, March 4 at 10 a.m. PT at [ticketmaster.com](https://www.ticketmaster.com).

Rise Against today also shared "[Talking To Ourselves \(IDLES Inner Monologue Remix\)](#)," a pulsing, synth-driven, transformative re-working by British band IDLES, which maintains the urgency of the standout

original off the band's 2021 acclaimed LP, *Nowhere Generation* (Loma Vista Recordings). "I've never thought of our songs as 'brave' or 'bold,'" says bandleader Tim McIlrath. "I think of them as just common sense. When you feel that no one is listening to you, you tend to talk louder, and when you feel no one notices you, you start doing things to get their attention. That's what this song is about."

Nowhere Generation saw its title track, #1 Rock-charting hit earn various spots on *Billboard's* Year-End Charts for radio airplay, including #4 at Mainstream Rock Songs and #5 at Rock Airplay Songs, as well as iHeartRadio's #10 most played Alternative song in 2021. The band was also *Billboard's* #9 most-played artist on rock radio in 2021, alongside Billie Eilish, Foo Fighters, and more.

On *Nowhere Generation*, the multi-Gold and Platinum band draws a line in the sand with its blazing and aggressive punk rock and lyrics that shine a spotlight on the social and economical deck that has been stacked against our younger generations' pursuit of The American Dream. The album debuted at the top of multiple *Billboard* charts with its first week sales (#1 on Rock, #3 on Top Current Albums, #3 on Vinyl, and the Top 40 of the Top 200), and earned great press from outlets including *Revolver*, *Consequence*, *LoudWire*, *Brooklyn Vegan*, *Grammy.com*, *American Songwriter*, *The Line of Best Fit*, *Clash*, and *Kerrang!*, among others. The album's June 4th, 2021, release date was also declared "Rise Against Day In Chicago," the band's original hometown. Last November, Rise Against shared the *Nowhere Sessions* EP, a six-track live expansion of the album that captures and celebrates the anthemic intensity of the band's renowned performances. Singles from the EP included "[Talking to Ourselves \(Nowhere Sessions\)](#)" and a cover of Creedence Clearwater Revival's "[Fortunate Son](#)."
