

Caesars Sportsbook Brings its Most Advanced Sports Betting Platform to Washington, D.C.

Sports fans in the district can now enjoy an enhanced sports betting experience on mobile and at Capital One Arena

WASHINGTON, D.C., and LAS VEGAS (August 10, 2022) – Caesars Entertainment, Inc. (NASDAQ: CZR) (“Caesars”) today announced the most advanced version of its sports wagering platform, Caesars Sportsbook, is available in Washington, D.C. The move marks a migration from the Caesars Sportsbook by William Hill app to bring Caesars’ highly-rated and feature-rich product, Caesars Sportsbook, to the district.

Customers will immediately recognize this as a substantial upgrade of Caesars’ offerings, including additional ways to deposit funds, faster payouts, expanded ways to wager, thousands of additional markets, a cleaner and more user-friendly interface, and more.

“D.C. remains a special market for us following the historic opening of Caesars Sportsbook at Capital One Arena in 2021,” said Chris Holdren, Co-President of Caesars Digital. “This is an important step as we continue to expand our offering for sports fans. We’re ready to capitalize on our momentum with our great district partners as the sports calendar ramps up.”

Caesars Sportsbook bettors can now enjoy access to same-game parlays, cashout functionality, live scoreboards, and expanded in-play betting options while continuing to benefit from Caesars Sportsbook’s integration with the industry-leading customer loyalty program, [Caesars Rewards](#).

Every wager placed with Caesars Sportsbook earns Tier Credits for status and Reward Credits that can be redeemed for exclusive opportunities, including discounted getaways at Caesars destinations anywhere, trips to the Las Vegas Strip, world-class culinary experiences, and much more. Caesars Sportsbook bettors also get access to invitation-only events, tickets to see the Capitals, Wizards, and Mystics, VIP hospitality at Capital One Arena, and other unique experiences.

The launch of Caesars Sportsbook’s new offering in Washington, D.C. builds upon the legacy that Caesars has built in the market. Caesars and Monumental Sports & Entertainment (MSE) made history in May 2021 by opening the first sportsbook to operate in a U.S. sports venue with Caesars Sportsbook at MSE’s Capital One Arena.

The two parties recently announced expansion plans for the sportsbook featuring the addition of 700 square feet of new betting space with 13 additional self-service sports betting kiosks, a brand-new entrance leading directly to the concourse of the arena, and celebrity chef Guy Fieri’s first full-service restaurant coming to Washington, D.C. this fall.

The Caesars Sportsbook app is available for [download](#) on iOS or Android for eligible sports fans in the district.
